### **Lane closure for Kawaihau Road scheduled from March 18 to March 24**

KAPA'A - The Department of Public Works and Grace Pacific LLC., are announcing that a portion of Kawaihau Road and Pelehu Road will be closed on March 18, from 7 a.m. to 6 p.m., and from March 20 to March 24, from 7 a.m. to 3:30 p.m., weather permitting.

On March 18, Kawaihau Road and Pelehu Road will experience a one lane-closure and detours. The closure and detours for Pelehu Road and Kawaihau Road is necessary for clearing and grubbing, roadway excavation, sidewalk construction, and roadway construction. Please note that Kawaihau Road will experience temporary traffic shifts and road narrowing. Pelehu Road will be closed from Kawaihau Road to Nunu Road, with traffic being limited to residents in the closed roadway area. "Local traffic only" signs will be installed to inform motorists. Pelehu Road and its intersection with Kawaihau Rd. will then be open to the public after the work is complete.

No work will occur on Sunday, March 19.

From March 20 to March 24, a portion of Kawaihau Road will experience periodic one-lane closure and road narrowing. The closure of Kawaihau Road is necessary for clearing and grubbing, roadway excavation, and roadway construction.

Motorists are advised to expect brief and occasional delays. Please exercise caution and drive slowly when commuting through the work area.

The project aims to construct a peanut-shaped roundabout, sidewalks, paved shoulders, and various other roadway improvements to help improve the safety and operations of the 5-way intersection of these three roads and for people using multiple modes to travel efficiently and safely through Kawaihau Road, Hau'a'ala Road, and Mailihuna Road located in Kapa'a. This area contains St. Catherine's School/Church, Kapa'a High School, Kapa'a Elementary School, Mahelona Hospital, and Gore Park.

The project has an estimated completion date of October 2023.

Dates and times are subject to change depending on weather and other factors.
